

Date: March 5, 2026

Paper ID: ICCSAS 2026 , 157

Dear Authors,

On behalf of the **ICC SSA 2026** Scientific Committee, and based on our (Reviewers' Evaluation, Scientific Committee Approval, and Guest Editors' Decisions), we are pleased to inform you that your paper entitled:

Ultra Lightweight Convolutional Neural Networks for Efficient Brain Tumor Classification in Resource Constrained Medical Environments

Written By

Mahmoud Shamran Atheeb and Baraa Ismeal Farhan

It has been selected and will be processed for publication in the "**Proceedings of International Conference on Applied Innovation in IT**" [ISSN: 2199-8876] (Scopus Indexed). Please note that accepting your paper is contingent upon fulfilling the guidelines set by the Conference Editors and the Anhalt University of Applied Sciences. An accepted paper will only be published in the Proceedings of the International Conference on Applied Innovation in IT if the final version meets the quality standards outlined in the Guidelines. Your paper is **subject to appear** in the ICAIT Volume 14 Issue 3 as a conference paper. All selected papers must be finalized and presented during the conference sessions at the College of Science, Mustansiriyah University, on the conference date.

We will encourage more quality submissions from you and your colleagues in the future.

Thank you for considering this Conference as a venue for your work

Note: Please be advised that the editors will provide additional requirements that must be finalized urgently. The publication of your paper is contingent upon the completion of these requirements. If your requirements are completed, the anticipated publication timeframe may be postponed.

Prof. Dr. Thekra Abbas
Chair of the Scientific Committee
ICCSAS Conference
